— TRANSFORMING SELF TO TRANSFORM WORLD —

### LETTER FROM THE ALL INDIA PRESIDENT -SRI SATHYA SAI SEVA ORGANISATIONS, INDIA

*Our brothers and sisters in Kerala have witnessed and suffered the worst impact of incessant rains and the fury of floods unheard of in this century. It is the duty of every Indian to stand by with them in this hour of calamity.*

*The Sri Sathya Sai Seva Organisations, India through its various State units is fully in action supporting the Seva Dal Volunteers of the State Organisation of Kerala. Our State President of Kerala, Professor Mukundan is constantly monitoring the relief operations in the various flood-affected districts of Kerala.*

*Our Seva Dal Volunteers of more than 2000 from the State of Kerala are from day one present in the remote corners of the affected districts. They are fully into rescue operations and supply of food, water and medicines.*

*This being done with the permission of the District Authorities in due deference to the instructions of the authorities of the Government of Kerala. The specialized task force of the Disaster Management Teams of the Sri Sathya Sai Seva Organisations are in full action and are ably supporting even the Armed forces wherever required.*

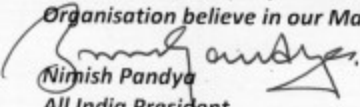

*The Sri Sathya Sai Organisation, Kerala, has a control centre at Aluva, which is monitoring the rescue and relief operations on a constant and regular basis.*

*The Sri Sathya Sai Seva Organisations have already planned the rehabilitation actions once the water recedes and rehabilitation work can commence. The Kerala State Organization had formed a task force – Messengers of Love (MOL) – comprising of 2000 plus volunteers across the 10 flood affected districts in the state. The task force will work in synchronization with Govt. of Kerala and would support all their initiatives. The focus areas identified for MOL are providing trauma care, medical aid, cleaning, providing safe and pure drinking water. The task will be monitored directly at the highest level by the State President in a project mode, through IT enabled system, providing timely feed back to the State Administration.*

*The Sri Sathya Sai Seva Organisations are grateful to the District Authorities of Kerala for reposing faith in the unconditional service being rendered by the Seva Dal Volunteers of the Organisations. We are also grateful to the members of the Armed forces, which helped us to serve shoulder to shoulder with some of them in certain critical areas.*

*Every Seva Dal Volunteer as a part of his or her service carries a prayer for every Keralite brother and sister that God's Grace and blessings pour upon them soon and normalcy returns to God's Own Country.*

*We are all grateful for this opportunity to serve, as we in the Sri Sathya Sai Seva Organisation believe in our Master's dictat that Service to Man is indeed Service to God.*
