

ANNUAL REPORT

2017 – 18

**SRI SATHYA SAI TRUST, KERALA
&
SRI SATHYA SAI SEVA
ORGANISATION, KERALA**

Divine Message

The cosmos is the creation of the Divine. It is surcharged with energy. This energy is not localized at a particular point in space or time.

Even though this energy is all-perwading, man remains unable to recognize its divine nature. As he cannot recognize it, he presumes that it does not exist.

Electrical energy flows continuously in the wires. However its presence is recognized only when a bulb is fitted and switched on. Likewise though God is omnipresent, His Divine Effulgence will shine only in those who adore Him with a pure heart.

Foreword from the State President, Sri Sathya Sai Seva Organisation, Kerala.

“Nature is God’s vesture. The Universe is the “university” for man. Man should treat nature with reverence. He has no right to talk of conquering nature or exploiting the force of nature. He must proceed to visualize in nature its God.”

Bhagawan Sri Sathya Sai Baba

(Sathyam Sivam Sundaram Volume 4, p.55)

Aum Sri Sairam

Loving Sai Ram to all of you.

It is said that ‘NATURE IS THE BEST TEACHER’. Nature, immaculately follows the laws and rhythm of creation, selflessly offers her resources to humanity without any expectations, renews herself ceaselessly and she is ever beautiful in whatever form she assume!!! Nature is considered as the true manifestation of God.

Blessed by nature in every form, the State of Kerala, affectionately called as ‘God’s Own Country’ in the month of August 2018 witnessed one of the worst floods in its history. Twelve out of 14 districts were affected. More than 450 human lives were lost and resulted in destruction valued at more than Rs 25,000 crore. During the period of rescue and relief, there were stories of worries, threat, courage, compassion, confusion, despair and generosity!

Right from day one, Sri Sathya Sai Seva Organisation, Kerala State leaped into action to help the needy and affected. Our Sevadal volunteers played major role in both rescue and relief operations. Disaster Management team worked nonstop in rescuing multitudes trapped in their submerged homes and with Swami’s infinite grace, they could rescue nearly 1600 people who were stranded in different districts. 1810 Sathya Sai workers worked ceaseless in various relief camps and flood hit areas. 43800 flood-hit victims have benefitted from their dedicated service.

It is with great humility that the Sri Sathya Sai Seva Organisations lovingly distributed Rs 1.40 Crores worth basic necessities to their suffering brethren throughout Kerala since the disaster struck.

However, it also witnessed a unique phenomenon; a learning of lifetime - humanity standing in support of Kerala, truly exemplifying divine masters words ‘to believe in brotherhood of man and fatherhood of god’.

Let me take this opportunity to place on record the unstinted support and guidance received from our beloved All India President, Sri Nimesh Pandiyaji, Sri Kodeswar Raoji, National Coordinator, SSSVIP and State Presidents across all states in rescue, relief and rehabilitation of affected victims.

No words could explain or reciprocate the kindness and hand holding received from them Sri Sathya Sai Central Trust. Trust members with all their care and concern provided all moral support to us. Our heartfelt gratitude from the brothers and sisters of Kerala.

It was on 30th May 1976 that our divine master's holy feet and touched the soil of Srisailam, in Kozhikode District in Kerala. With immense grace of Swami, Sri Sathya Sai Trust Kerala, Sri Sathya Sai Seva Organisation Kerala and the devotees of Kerala could construct a Memorial 'Sai Smriti' on the holy spot. 'Sai Smriti' was inaugurated Sri. Nimish Pandyaji All India President, Sri Sathya Sai Seva Organisation [SEP] on 4th October 2018 and the installation of Swami's Photo and consecration of Swami's Padukas was performed by Sri.R.Ratnakar, Member, SriSathyaSai Central Trust, Puttaparthi.

With the mission to become near and dear to divinity during 2018 with His grace, witnessed a number of important events.

- 2018 was declared as E.H.V. year and through out the state we could arrange sessions for teachers, parents and students with lead speakers invited by hundreds of institutions for these sessions.
- Being the 16th year of the conduct of essay competition, nearly 35000 students from more than 1500 institutions participated.
- During this year there is much growth in SSSVIP activities, we could go deeper reaching more needy people.
- RVTC programme: we will be having 25 new centres and many have already started.
- Disaster Management programme covered more students this year.
- As in the previous years, we had Prathi yatra of media persons, advocates, Sai youth and SSSVIP members.
- Now, with His grace, SSSSO is embarking on a housing project in Alleppey district. We are planning to construct a minimum of 108 houses.
- Also to install R.O.water plants in different places.

Knowing fully that Swami alone is the REAL DOER, we place ourselves at the Divine Lotus Feet, with hearts full of love and gratitude, for this wonderful opportunity to 'LOVE ALL AND SERVE ALL'

Submitting to Divine Lotus Feet,

Jai Sai Ram

Prof. E. Mukundan

State President, Sri Sathya Sai Seva Organisation, Kerala.

Forward from the Convener, Board of Trustees, Sri Sathya Sai Trust, Kerala.

Aum Sri Sai Ram,

It gives me immense pleasure to present the report of Sri Sathya Sai Trust, Kerala.

May 30th 1976 will forever be etched in the memory of Srisailam. It was the eventful date when Bhagavan Baba's divine paadam set foot on the soils of the Srisailam campus. The location from where he addressed his beloved devotees and laid the foundation stone for the school became hallowed ground. This event has been celebrated annually from then.

After he left his physical body, there was an ardent desire amongst the devotees that a monument to commemorate the visit be erected. All India President, SSSO, Sri Nimish Pandya also requested that monuments be erected on land wherever Swami had set foot which and was in possession of the various Trusts in India. This concretized the plans for the monument. The bhoomi pooja for the monument was performed on 25th October 2017.

Efforts are on to improve the educational standards of the school. We now have a fully functional Computer Lab. We have also digitized the classrooms. The students also fared extremely well in Sports and gained many honors for the school on this front. The PTA has also been helpful in coming with suggestions to enable a smooth functioning of the school.

I look forward to working closely with the teachers, staff, students and parents to take the school to even greater heights.

On the projects front, the Trust, along with SSSO, Kerala, set up 26 RO plants in locations across the state to ensure safe drinking water to the public under the banner of 'Prem Dhara' project. 550 patients were given free dialyses under the aegis of the Kidney Dialyses project. The Trust, along with the SSSO, Kollam have also started a scholarship program to give financial support to needy students.

The Shornur Primary Health Care Centre continues to provide succor to needy patients under the watchful eye of Dr. Anandamohan. Nearly 3000 patients were treated and a total of 56 cataract surgeries were performed. A separate report is provided on its activities.

In Sai Seva,

G.Satheesh Nair
Convener, Board of Trustees, Sri Sathya Sai Trust, Kerala

Samastha Loka Sukino Bhavanthu

Report of Sri Sathya Sai Trust Kerala for the Year 2017-'18.

Day School:

<u>Boys</u>	<u>Girls</u>	<u>Total</u>
414	400	814

Residential:

<u>Boys</u>	<u>Girls</u>	<u>Total</u>
153	37	190

(b) Details of result for the year 2017-2018**Science & Commerce [AISSCE] XII**

Total No. of students	:	16
Passed	:	14
Distinction	:	01
First Class	:	06
Second Class	:	07
Compartment	:	01
Fail	:	01

AISSE [X]

Total Number of students	:	46
Pass	:	46
Distinction	:	19
First Class	:	12
Second Class	:	12
Third Class	:	03

Details of Awards & Achievements**1. Dr.P.B.Menon Memorial Cash Awards**

This award was instituted by Sri.K.J.Jayakumar, grandson of Dr.P.B.Menon for the best student of all round excellence in study and conduct. This year this award was given to Sri Gungun Raj of Class XII.

2. Eswaramma Scholarship

Our Convener, Sri.G.Satheesh Nair sponsors this scholarship every year for a boy and a girl of this School. This year, Yadhukrishna. K. V Std and Aarsha. R of III Std were selected for the scholarship.

3. Vidyapeeth Award

Vidyapeeth honours those students who have successfully completed their twelve years schooling in this holy institution. This year it was presented to Aswani Kumar Ujala XII Com & Somay Suman of XII Science.

5. Founders Award

This is instituted in the name of Dr.P.B.Menon, and given by Dr.K.B.Venugopal. This year it was given to Sree Parvathi III Std.

Nature Club

OISCA Nature Club and Mathrubhumi Seed Club are functioning in our school with the guidance of OISCA International, Koyilandi chapter and Mathrubhumi. Mr.Sreehari is in-charge of the nature club. Varieties of plants were planted by the students under the guidance of Mr. Praveen Kumar, Mrs. Hajira, Mrs.Shiji, Mr. Sujith Kumar and the other members of the club.

Celebrations

We celebrated Hiroshima Day, Environment Day, Independence Day, Teacher's Day, Gandhi Jayanthi, Hindi Week, Sanskrit Week, Raksha Bandhan, Children's Day, Onam, Christmas, Navarathri, Ganesh Chaturthi, National Unity Day based on Sardar Vallabh Bhai Patel Birth Anniversary, National Education Day based on Birthday of Moulana Abdul Kalam Azad, Book week, Ganith Week and Republic Day with great pomp and show. We conducted several seminars, personality development programmes and debates.

Bhagawan's 91st Birthday

91st Birthday of Bhagawan Sri Sathya Sai Baba was celebrated with utmost devotion. Nagarasankeerthanam and Archana were organized.

Global Bhajan and New Year Bhajan were organized on 11th and 12th of November, 2017. Bhajan started at 6 p.m. on 11th November and concluded at 6 p.m. on 12th November. Students of each class chanted bhajans. Teachers and campus staff had their slots for the Global Bhajan.

Vidhya Vahini

During this academic year, Vidya Vahini deputed fellowship candidate. Mr. Krishnan was in-charge of Vidya Vahini projects. He conducted several club activities. All the activities are continuing. Mr.Pushpangadan is the Vidya Vahini School Coordinator. Several Vidyavahini workshops were conducted during this academic year.

SMS Facility

We have launched a SMS scheme to facilitate easy and immediate communication with the parents and staff, with the active support of a leading software company. We are hopeful of developing it into a quick communication mode to interact with the parents.

EMPOWERING PROGRAMME FOR TEACHERS AT PUTTAPARTHY

A visit to Puttapparthu is a dream of every Sai devotee. Sathya Sai Trust Kerala conducted empowering programme for teachers at Puttapparthu, from 1st December to 3rd December, 2017. All the programmes were organised by Vidyavahini.

SPORTS AND GAMES

Our school team participated in CBSE athletic competitions. The following students got Gold and Silver medals.

Gold [800mtr]	:	Ajeet Mishra IX Std
Silver [800mtr]	:	Neeraj Kumar VIII Std
Silver [400 mtr]	:	Ujjwal Anand IX Std

Kerala State Central School Sports Meet District Level:-

Under 14

Ajeet Mishra	:	Individual Champion First prize [200m,800m] Second prize [4x 100 m]
Sachin Kumar	:	Second prize [200 m, 400m] Second prize [4x100 m]
Ujjwal Anand	:	Third prize [400 m] Second prize [long jump] Second prize [4x100 m]
Neeraj Kumar	:	Second prize [800 m] Second prize 4x100 m]

Under 17

Sumith Raj Yadav	:	2nd prize 3000m 3rd prize [4x400m]
Roushan Kumar	:	3rd prize [4x400m]
Ananya Gupta	:	3rd prize [4x400m]
Abithesh Bachhan	:	3rd prize [4x400m]

Sahodaya Sports Tournament:-

Cricket : Under 14 First
Under 17 First
Under 19 First

Cultural Vadakara Sahodaya Arts Competition:

Many students participated and our school scored a total of 80 points. Our School also bagged 2nd place at the Senior Secondary level. There were a total of 11 first prizes, 5 second places and 6 third places.

COMPUTER LAB FACILITY

By the grace of Bhagavan and the support of the management, we could develop a state-of-the-art computer lab in our school and could also digitalise the classrooms.

CAPACITY BUILDING PROGRAMME:

- Mrs. Sandhya Vijayakumar and Minja attended K G Teachers' training conducted at Rani Public School.
- Vineetha Vinayakrishnan was sent to Gokulam Public School for Language teacher's training.
- Mr. Sathyajith, Mr. Sheemod, Mrs. Suja, Mrs. Geetha:- attended the Classroom management course conducted at Kozhikode.
- Mr. Praveen Kumar and Mrs. Usha DK, attended Social studies interactive course.
- Mrs. Sudina and Mr. Viswajeet, attended Principal's and Team Managers' meeting at Kuttiadi.
- Mrs. Shiji attended the class regarding MR Vaccine.

2. SRI SATHYA SAI INSTITUTE OF PRIMARY HEALTH CARE KULAPULLY, SHORANUR - 2

Details of the activities from 01.04.2017 TO 31.03.2018

A total of 2996 patients were treated from April 2017 to March 2018 in various branches of medicines:

1. GYNAECOLOGY	1092	PATIENTS
2. OPHTHALMOLOGY	623	"
3. PSYCHO	409	"
4. ORTHO	215	"
5. NEURO	152	"
6. HOMEO	66	"
7. VIBRONICS	197	"
8. AYURVEDA	64	"
9. YOGIC HEALING	96	"
10. CARDIOLOGY	52	"
11. GENERAL MEDICINE	30	"

CATARACT SURGERIES DONE DURING THIS PERIOD : 56

TOTAL SURGERIES SO FAR DONE : 127

THE SECOND BATCH OF THE ONE YEAR BASIC
COUNSELLING PROGRAMME IN PROGRESS - TOTAL TRAINEES : 24

TRUST ACTIVITIES

KIDNEY DIALYSIS PROJECT:

The Trust initiated this Project along with Sri Sathya Sai Seva Organisation of Trivandrum & Kollam to provide Kidney Dialysis to needy patients.

Details of the Projects during 2017 – 18:

The deserving students were selected by Samithi Conveners of Kollam district.

Amount Received during 2017-18 : **Rs.70,250/-**

MAJOR PROJECTS CARRIED OUT IN 2017- 2018

1. SRI SATHYA SAI PREMDHARA WATER PROJECT
2. SAI LOVE IN ACTION – FLOOD RELIEF PROJECT
3. SRI SATHYA SAI PRIMARY HEALTH CARE CENTRE

1. SRI SATHYA SAI PREM DHARA WATER PROJECT:

'Prema' means, love, rather selfless love. *'Dhara'* means flow. Premadhara means flow of selfless love. Water is elixir of life. When water, which sustains human life is offered with selfless love it becomes *"Premadhara."*

Following the foots steps of Divine Masters' Sri Sathya Sai Water Project, 'Premadhara' is an unique project initiated by Sri Sathya Sai Seva Organisation, Kerala in August 2017, offering pure and safe drinking water

The very objective of 'Premadhara' is make available pure drinking water with love, 24 hours in a day, 365 days an year free of cost'.

Premadhara units provides both hot & warm water after purification. The units are being established at public places, especially for floating population covering Bus Stations, Taluk Hospitals, Primary Health Centers and Govt. Schools in Kerala with the approval of State Government.

During the 1st phase, with divine grace we could make operational, 92 units covering 14 districts in Kerala with an approximate cost of **13,57,870 Lakhs** of Rupees

On an average, **Premadhara** is catering pure drinking water to 129,163 persons a day.

The Premadhara system is attached with the local Sathya Sai Seva Samithi and the Service coordinator is responsible for the day-to-day and smooth functioning of the unit.

We have received excellent response both from the State Government and public on the project. Premadhara project has become an excellent Public-Private model that can be scaled up and replicated not only in India but also across the globe.

The Trust initiated this Project along with Sri Sathya Sai Seva Organisation Kerala to provide safe drinking water by installing RO units at various public locations across the state.

Inauguration of purified water dispenser at Kasargod by the State President Prof. E.Mukundan, as part of Premadhara Project

Installation of hot and cold water dispenser at East Fort Bus stand as part of Premadhara Project

Inauguration of hot and cold water dispenser by Sri.Jyothilal IAS, as part of Premadhara Project.

Providing purified drinking water to students during the inauguration of hot and cold water dispenser as part of Premadhara Project.

Inauguration of hot and cold water dispenser in a hospital at Wayanad District.

Inauguration of hot and cold water dispenser in a hospital at Palakkad District.

Inauguration of hot and cold water dispenser for public at Kottayam District.

Inauguration of hot and cold water dispenser for public at Pathanamthitta District.

2. SAI LOVE IN ACTION – FLOOD RELIEF PROJECT

The state of Kerala has been going through a tough and challenging time. The state and its people witnessed worst and devastating floods that shook their life in August 2018 – many lost their homes, vehicles and all they have built and saved through their lives. Most unfortunately, the floods took away the lives of over 300 people and more than 2 lakh people were displaced.

Even as the worst floods and deluge of this century threatened to engulf Kerala, the Sri Sathya Sai Seva Organisation, came forward undaunted to lend a helping hand to their brothers and sisters in need.

The members of the organisation have been working round the clock nonstop along with many since day one of this calamity in all the 14 districts of Kerala. Holding fast to the Mahamantra that ‘Service to Man is Service to God’ the Sri Sathya Sai workers were able to visit the relief camps and render all possible help. The Sri Sathya Sai Seva workers were not only able to rescue flood hit victims from their submerged homes but also to provide basic necessities in the relief camps.

Distribution of various kinds of kits

Kits containing immediate basic necessities have been distributed in the relief camps and disaster hit zones also. The kits contained clothing, bed sheets, study materials, sanitation items, blankets and food items.

4000 such kits have already been distributed all over Kerala spanning the 14 districts.

For all that our beloved Swami has been teaching us over many years, SSSSO, Kerala had to rise up to the situation to help the people in need. With Swami’s infinite grace and blessings, we could render seva to thousands of people across the length and breadth of Kerala.

Distribution of food and utensils as part of Flood Relief Activities at Kollam Pathanamthitta Districts.

Our seva activities during flood were divided into three phases – Rescue, Relief and Rehabilitation.

Our Disaster Management (DM) team sprung into action in all flood affected areas. DM team from Tamilnadu took no time to reach these areas and joined us for rescue operations. Disaster Management teams of Tamil Nadu and Kerala have jointly worked diligently and nonstop in rescuing multitudes trapped in their submerged homes in Kozhikode, Pathanamthitta and Kottayam districts. The rescued were then taken to the different relief camps to stay. The Disaster Management team had worked in the worst hit areas like Pandalam, Kumarakom, Kattipara, Thamarassery and Koduvally with small life boats to evacuate people.

Flood relief work at Aranmula.

DM team from Tamil Nadu cleaning a devastated house at Flood affected Thuruthi Mala Colony, Aranmula .

Stage-I: Rescue

We have fully involved in the rescue operations on August 2018 at Kaipattoor and Pandalam area, dangerously affected in the flood. The disaster management team consisting of 07 trained Sevadals from Tamilnadu lead by Sri. Suresh Raja from Rajapalapalam joined hands with Sevadals of Pathanamthitta District and they could save 13 lives at Kaipattoor and helped to save 24 persons.

Stage-II: Rehabilitation and caring

The major parts of the district have seriously affected by flood. Since a large number affected persons were in the relief camps, we concentrated in the supply of food materials, cloths, drinking water, sanitary items and other needy items, for those in the camps as well as in the houses.

Cleaning the Flood affected areas by different samithies at Ernakulam Dist.

Flood relief activities – at Manakkappad, Ernakulam Dist.

A helping hand to the flood affected villages by sevadals at Alappuzha

With Swami's infinite grace, we could rescue 1600 people who were stranded. In many districts, our team worked along with the rescue team from Indian Navy and Army.

Number of people rescued : **1600**

Total Man hours served : **54,156**

Average number of sevadals participated everyday : **1700**

Relief Materials and Medicines distributed worth : **Rs.2,09,94814**

It is with great humility that the Sri Sathya Sai Seva Organisations lovingly distributed 57 lakhs worth basic necessities to their suffering brethren throughout Kerala since the disaster struck. 1810 sathya sai workers worked nonstop in various relief camps and flood hit areas. 43800 flood hit victims have benefitted from their dedicated service.

Sanitation work: After flood water receded and when the people went back to their homes, Sri Sathya Sai workers began the sanitation work. They have taken great pains to ensure that the required hygiene standards are maintained. The Sai youth played a great role in this work. The Medical wing of the Organisation distributed brochures and notices to create awareness amongst the public about the basic hygiene practices and discipline to be maintained in the forthcoming days to keep diseases at bay.

Distribution of drinking Water: The workers of the organisation have till date distributed more than ten thousand liters of drinking water in relief camps. In Tripunithura flood relief camp a water purification plant was commissioned and it brought great relief to the 600 odd families living there. In many inaccessible areas the Sai youth literally carried cans and bottles of drinking water to the needy.

Relief work in isolated, inaccessible villages: Villages like Puthuvaippu in Ernakulam, Kottoorpara in Pathanamthitta and Kottiyoor in Kannur were isolated by the flood waters from the rest of Kerala. The Sathya Sai workers were able to reach these villages and render necessary help to the villagers. They were given food, clothing and clean drinking water by the organisation workers.

A task force of 36 members have been formed at the national organisational level to spearhead the flood relief operations, to plan and execute future rehabilitation programs, post flood period.

Immediate plans - SSSO Kerala

- Sri Sathya Sai Amruth Dhara Project : To ensure Pure Drinking Water in places where water is contaminated and there is no source of drinking water.
- Adapting homes where the earning member lost his life in the natural calamity.
- Providing Sri Sathya Sai Kits for school children who lost their study materials during flood.
- Adopting selected areas or wards one in each district which are totally destroyed in the flood. The centres which are hopeless will be converted into places of Love and Hope.
- To take care of Health and to prevent epidemics team of doctors will be visiting affected areas and will conduct medical camps on regular basis.

Street Narayana Seva and Blanket Distribution

Service program done by the coordination of youth wing in Kollam district accompanied by precious drops members on Jan 12 as a part of National Youth day & Vivekanandha Jayanthi at 10 pm. 75 blankets were distributed to the people sleeping in the street. Distribution of Food packets to the people lives in the street in Kottarakkara town by youth wing in Kollam district. Around 30 food packets been distributed in the streets.

Distribution of Blankets to the needy people on street by the Youth members as a part of National Youth day & Vivekanandha Jayanthi.

Distribution of food packets to the people on street by the Youth members as a part of National Youth day & Vivekanandha Jayanthi.

Sri Sathya Sai Primary Health Care Centre

After providing medical seva aid to the victims of the flood, SSSSO received permission from the Govt. of Kerala to start permanent medical clinics in different parts of Kerala. With His infinite grace the first clinic was started at SSS Centre Alwaya on 14th Oct 2018.

The clinic functions every Sunday with four to five specialist doctors. Alumni of SSSIHL who were serving very actively the flood victims with SSSSO, Kerala, became instrumental in starting this ***Sri Sathya Sai Primary Health Care Centre (SSSPHCC)***. The working of the clinic is in a very systematic and sophisticated way with equipment's like E.C.G system.

Our prayer to Swami is to bless us to start such clinics in all the fourteen districts before the 95th Birthday of our Lord.

Inaugural function of Sri Sathya Sai Primary Health Care Centre (SSSPHCC) at SSS Centre, Alwaya on 14th Oct 2018

A permanent Medical Centre started at Sai Center Aluva. Initially it will be operating on all Sundays, which is planned to be an All-Day service gradually.

Doctors consulting the patients in Sri Sathya Sai Primary Health Care Centre, Alwaye.

MEDICAL CAMP

Dialysis Project

A dialysis project is being organized by the District with the involvement of Nair's Hospital, Kollam adopting patients, who were undergoing 4 to 5 dialysis in a month.

Sai Agri Varsh

A novel concept of self-cultivation of vegetables initiated by SSSSO Kerala, Alleppy District. Pesticides are primarily used by the farmers during the cultivation of crops and these may remain as residues and get stuck on the surface of the fruits & Vegetables Raising the dangers caused by pesticides in vegetables and fruits is a great matter of concern of one's health and many are down with many unknown diseases including cancer day by day. The SSSVIP unit of Alleppy District of Kerala came up with the innovative project " Sai Agri Varsh" where in each devotee is encouraged to cultivate organic vegetable at home as kitchen garden or on the open terrace. Every one use the vegetables cultivated for food preparation at

home instead of buying from the market. If any surplus vegetables are there, devotees can bring to Smithy and can be used for Narayana Seva. This project is implemented in SSSVIP villages and devotees houses, is running extremely well, this will be extended to many districts soon. SSSVIP team is also conducting regular classes and seminar to educate, inspire every one.

Plantation of trees at Sayeesham on November 6th by the guidance of Technology group In-charge.

Cleaning work at Sabarimala

As requested by the District Collector of Pathanamthitta, a massive cleaning program was conducted on 10 Nov 2017. In that 51 Sevadals participated from 12 Samithies of Pathanamthitta District.

Distribution of Cattle Feeds- to 51 cows at Nilackal Gosala(Sabarimala)

Cleaning activities at Flood affected Aranmula Parthasaradhi Temple

Activities – Spiritual Wing.

Innauguration of 'Sai Smriti'

Bhagwan Sri Sathya Sai Baba laid the foundation stone of Sri Sathya Sai Vidyapeeth at Srisailam, Kozhikode, Kerala on 30-05-1976. The inaugural function was witnessed by thousands of devotees from all over Kerala.

It is our bounden duty and obligation to preserve for posterity this hallowed land where Bhagwan with infinite compassion addressed and blessed the devotees of Kerala.

With immense grace of Swami, Sri Sathya Sai Trust Kerala, Sri Sathya Sai Seva Organisation Kerala and the devotees of Kerala have had the good fortune to construct a Memorial 'Sai Smriti' on this holy spot.

The inauguration of 'Sai Smriti' and the 42nd anniversary are proposed to be conducted on 4th October 2018.

"Sai Smriti" Inauguration by Sri. Nimish Pandya. All India President, Sri Sathya Sai Seva Organisation.

*Installation of Swami's Photo and Consecration of Swami's Padukas by **Sri. R.Ratnakar**, Member Sri Sathya Sai Central Trust, Puttaparthi.*

Ekadasha Rudhrajapam & Ekadasa Dravyabhishekam was conducted at Kollam District.

Lalitha Sahasra Namajapam conducted at Attukal Devi Temple, Trivandrum.

Sri Sathya Sai Gnanotsavam, a district level Veda conference at Olavakkad samiti hall on Sunday, 15 October 2017, conducted by Sai youth of Palakkad District.

Activities – Education Wing.

Sai Kadhamrutha Yajnam by Sai Youth

With immense blessings of Bhagwan, the youth group of Palakkad district could humbly offer a one day Sai Kadhamruthayajnam at swami's lotus feet. It was a rejoicing and indwelling moments for all the youth members as their hard work and constant prayers were answered with gushing love of their Saimaa.

The program began with Veda chanting and bhajans. Sri AM Prabhakaran Nair, State vice president Kerala, Sri A V Suresh Kumar District president Palakkad, Sri Gopalakrishnan master and Sri Gopakumar district coordinators and Sri Vasanthmohan convener Palakkad samithi lighted the lamp and inaugurated the function.

State vice president and District president gave the inaugural address.

The program led by 18 Sai youth, perceived Bhagwan's divine life history with great amount of focus and immense enthusiasm. They also followed sacred saadhana for one month before the final program.

Sri Sathya Sai Digital Balvikas

With immense grace of Bhagwan, Sri Sathya Sai seva organization, IT wing Palakkad district has got an opportunity to offer a CD at swami's lotus feet. The power point presentation in the CD is made based on the balvikas first group syllabus (slokas, meaning of the sloka, story related to the sloka, more information on the sloka) which would be a guide for the Balvikas gurus. It took over a year to complete the 80% as

the first part. The attractive picturisation in the PPT would be effective to be used in Lap Top (Software: Office 2013) which will surely stay in the hearts of the balvikas students.

The CD was released by respected State president Sri Mukundan in the joint district visit meet of Thrissur and Palakkad office bearers at olavakkode samiti hall, Palakkad. The CD was distributed in free of cost also a copy of this CD was given to all the district presidents and Balvikas district in charges during the state meet. With the grace and love of Bhagwan and the positive trials in Palakkad district has inspired the IT wing to work incessantly on the next parts of the CD

Value Club

Under the aegis of SSSVJP to the ultimate aim of Value Clubs across the schools is to cultivate values, culture, ethics etc among our children which is deteriorating day by day Alleppy district initiated a new project Value Club across the schools and in the first phase the team is concentrating on schools having SPC, NCC and NSS units. The concept was well received by teachers, students and school authorities in a big way since we started the campaign.

Sri Sathya Sai Stthree Dharma Bodhini – Glory of womanhood

On February 24, 2018 Sri Sathya Sai Seva Organisation, Palakkad, conducted a Mahila program “**Sri Sathya Sai Stthree Dharma Bodhini**”, at CNS Hall, Chitiilanchery. It was inaugurated by State Mahila Coordinator Smt. Ganga Bhaskar at 10 a.m. The program began at 9 a.m. by Veda chanting followed by Kum. Thripthika inviting the dignitaries to the stage. The inaugural speech was given by the State Vice President. Smt. Sifiya Haneef, founder of a NGO named “Chithal” (facebook page “Chithal”), working for the emancipation of weaker sections of the society, was felicitated by Smt. Ganga Bhaskar. A small video presentation was also shown projecting their areas of service and her life. Following this Mahila Youth Incharge Smt. Sai Preethi, gave a small description of 2 projects they are planning to offer at the Lotus Feet, namely “**Annam Oushadham**”, “**Antharjjanam**”. District Coordinator Sri Gopalakrishnan Master expressed gratitude on behalf of SSSSO, Palakkad.

Balvikas Summer Camp – Grooming for Excellence

With the immense blessings of our most Beloved Bhagwan, the 16th District Level Balvikas Summer Camp was beautifully conducted at Olavakkode Samithi Mandir from May 11th to May 13th 2018.

By 3:30 pm on the first day (11.5.18), the camp participants that is the balvikas students, Sai youths and Balvikas Gurus reached the Samithi Mandir and they registered for the camp. This with Swami's Grace, 89 kids from various Balvikas centres in the district participated in the camp.

The children were given an insight about the Surya Namaskar, Jyothir Dhyanam and Yoga by Dist. Spiritual In charge by Sri PK Asokan. This was followed by Nagar sankeerthan and Temple Visit. The Panchamathakkal (5 mothers) were discussed with the kids by the Swamiji. The kids were back to the Mandir after the Vriksha Pooja.

At Thy Divine Lotus Feet.
