## Loving Sairam,

I am ever obliged to the Lord and feel highly blessed to have been in the fold of Bhagwan BABA since 1996 and more than this, I feel proud being the instrument in the hand of Bhagwan.

This annual report for the period April 2018 to March 2019 sharing details of various activities under all the 3 wings i.e. Spiritual, Educational and Service is humbly dedicated to the Divine Lotus feet of our beloved Swami. I have no words to adequately express my deep sense of the complete debt of gratitude to our Bhagwan Sri Sathya Sai Baba, without his divine command, direction, inspiration, benediction and grace mentioned activities under different wings could not have taken shape. It is therefore with humility and gratitude; I feel that the swami is only doer. Swami always says that the main aim of the activities in which we are engaged for cleansing the mind of the taint of egoism, greed, hatred, malice, lust and envy. The one quality we must acquire as result of all this is “**Mutual Love**”. We were allotted the task of bringing once again to the homes of the people the message of Atmic strength and Atmic unity, transmuting “man” into “God” and experiencing that ananda (Bliss) which is the one and only achievement to which life is to be devoted.

I express my deep sense of gratitude to Sh. Manoj Batra, State President, Sh. Dinesh Mundra, Vice President for providing guidance and direction to boost up our moral and the pace of Sai activities.

I also sincerely and heartily thank to all my family members for their full support and kind permission under which I could travelled throughout the year.

I also express my thanks to all Office Bearers, Samiti Members, Friends and Family who have assisted me in the various wings by giving their valuable suggestions, extraordinary assistance and full time participation which was needed to enhance Sai activities that strengthen our faith and brought us closer to our Lord.

Finally, with my most reverential salutation at the Divine lotus feet of my Lord Sai while placing this annual report of our District.

Thank You. Jai Sai Ram

# Sri Sathya Sai Seva Organisation – An Introduction

The Sri Sathya Sai Seva organisations, Founded by bhagwan Sri Sathya Sai Baba in the year 1965, is a service organisation with the spiritual Core and base of benefit all mankind irrespective of religion, caste, Creed or sect. The organisation serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realising one's inherent divinity.

Without any distinction of religion, nationality, race, socioeconomic status, either for those who work in the organisation or for those who are served by it, the organisation transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva organisations, for there cannot be any fee for subscription for one's journey towards his own self.

The Organisation functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups Pursuing different religions and faiths - are members bound by the dictum of "love all, serve all" and pursue their own Sadhana towards self-transformation following the path of selfless service to humanity.

At no point is an individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith so as to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslims, a Christian become a better Christian and so on. in fact, this spiritual basis inspires everyone to pursue his own religion Better by putting into practice love and selflessness. That is why the Organisation features in its emblem the symbols of the major religions of the world.

*"The Organisations named after Me are not to be used for publishing My name, or creating a new cult around My worship... They must render seva( service) to the helpless, the sick, the distressed, the illiterate and the needy. There Seva( selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is Sadhana( spiritual exercise), not a posttime of the rich and well placed.*

*You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate Maanavathwa (Humanity) from Maadhavathwa (Divinity). This Organisation must elevate the Human into the Divine."*

**Sri Sathya Sai Baba**

## WINGS OF THE ORGANISATIONS

The Sri Sathya Sai Seva Organisation functions under three wings viz. (i) Spiritual, (ii) Education, and (iii) Service.

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different wings appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The three wings stand for Worship, Wisdom and Work.

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in form of service to humanity. Thus, in order to successfully realise the objective of joining the Sai Organisation, one must participate in activities of all the three wings.

## ADMINISTRATION OF THE ORGANISATION

Headed by an All India President who is supported by the National Vice Presidents and State Presidents, the Organisation functions like a well oiled machine in the District under the stewardship of the District President, focused on its purpose, clear in its vision and dedicated in its efforts to live up the Swami's message – "Love All, Serve All".

The Samithis and the Bhajan Mandalis constitute a genuine spiritual movement where the members are united by a common bond – Love for God and Service to fellow human beings. The members of the organisation work as one cohesive unit, whether as sevadals providing service at Prashanthi Nilayam, at medical camps, doing Narayan seva or the bal-vikas gurus who work with young children to inspire in them a desire to inculcate the five human values of Truth, Righteousness, Love, Peace and Non-violence, or the teachers who having undergone the training in EHV help in guiding the young minds towards the higher goals of life or the Sai Youth who work tirelessly in the Sri Sathya Sai Village Integrated Programme and Sri Sathya Sai Vidya Jyoti Programme – each of them are bound by one goal – "Service to Man is Service to God".
