Loving Sairam!

Due to the blessing of Lord Baba, in the year 1995, and because of my elder brother Mr. Ramesh Mundra, I got the opportunity to attend the Bhajan for the very first time. Gradually my wife started attending all the programs of the Samiti then whenever I went to pick her I also started to attend many programs. The words which uttered by swami 'if you take one step towards me, I will take ten step towards you' had a special effect on me and being a business man I liked this trade that Swami is willing to give ten instead of one and swami made it happen by taking more than thousand steps towards me and gave financial, family and social advancement to me .

My personal opinion is that not a single leaf can be moved without Swami's permission and the whole world is controlled by our beloved swami. The Bhilwara samiti is really blessed by Swami and the organization established their good record in the three wings spiritual, Education and service work.

In 1999, I had good fortune to see our beloved Swami at Prasanthi Nilayam for the very first time. After this I started serving in the samiti as a worshipper. Later, by the infinite grace of Swami, served myself as youth Coordinator. In present serving myself as the State vice President of Rajasthan as well as the District President of Bhilwara in the feet of swami.

I would especially like to thank Mr. Sunil ji Bhandari for giving me their priceless support and guidance in each and every work and by making it easier for me.

I express my gratitude to all the office Bearers and Members of the samiti for conducting all the works of samiti properly, specially in my absence when I was elected in Rajasthan yatra team by state President Mr. Manoj Batra.

In the end, I am thankful to my family and friends who helped me in all possible ways to do Swami's work.

And at last I would like to dedicate everything to swami because of their blessings everything happened.

Thank You.

Jai Sai Ram!!!

Sri Sathya Sai Seva Organization – An introduction

The Sri Sathya Sai Seva Organization, founded by Bhagawan Sri Sathya Sai Baba in the year 1965, is a service organization with a spiritual core and base to benefit all mankind irrespective of religion, caste, creed or sect. The Organization serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realizing one's inherent divinity.

Without any distinction of religion, nationality, race, socio-economic status, either for those who work in the Organization or for those who are served by it, the Organization transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva Organization, for there cannot be any fee or subscription for one's journey towards his own self.

The organization functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups pursuing different religions and faiths - are members bound by the dictum of "Love all, Serve All" and pursue their own sadhana towards self-transformation following the path of selfless service to humanity.

At no point is an individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith so as to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslim, a Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue his own religion better by putting into practice Love and Selflessness. That is why the organization features in its emblem the symbols of the major religions of the world.

"The Organization named after Me are not to be used for publicizing My Name or creating a new cult around My worship. They must render seva(service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva(selfless service) should not exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is sadhana(spiritual exercise, not a pastime of the rich and well placed. You must have the firm belief that the aim of this Organization is to remove the obstacles that keep man away from God, that separate maanavathwa(Humanity) from Maadhavathwa(Divinity). This Organization must elevate the human into the Divine."

WINGS OF THE ORGANISATIONS

The Sri Sathya Sai Seva organization functions under three wings viz. **(i) Spiritual, (ii) Education, and (iii) Service.**

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different wings appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The three wings stand for Worship, Wisdom and Work.

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in form of service to humanity. Thus, in order to successfully realize the objective of joining the Sai Organisation, one must participate in activities of all the threewings.

ADMINISTRATION OF THE ORGANISATION

Headed by an All India President who is supported by the National Vice Presidents and State Presidents, the organization functions like a well-oiled machine in the District under the stewardship of the District President, focused on its purpose, clear in its vision and dedicated in its efforts to live up to the Swami's message – "Love All, Serve All".

The Samithis and the Bhajan Mandalis constitute a genuine spiritual movement where the members are united by a common bond – Love for God and Service to fellow human beings.

The members of the organization work as one cohesive unit, whether as sevadals providing service at Prashanthi Nilayam, at medical camps, doing Narayan seva or the bal-vikas gurus who work with young children to inspire them to inculcate the five human values of Truth, Righteousness, Love, Peace and Non-violence, or the teachers who have undergone the training in EHV help in guiding the young minds towards the higher goals of life or the Sai Youth who work tirelessly in the Sri Sathya Sai Village Integrated program and Sri Sathya Sai Vidya Jyoti Program—each of them bound by one goal— "Service to Man is Service to God".

Respect all religions equally.

Recognize humanity as one family - treat everyone as a family member - love all

Keep your house and surroundings clean - for this will promote hygiene and health.

Never give a bribe or take bribe - never give in to corruption.

Curb envy and jealousy; expand your vision and outlook, Treat all equally regardless of caste or creed.

Be self-reliant. You may be wealthy and have servants to do your bidding, but service to security must be done by yourself.

Have and cultivate 'Love for God and fear of sin'.

Never go against the laws of the land; follow these diligently both in word and in spirit. Be an exemplary citizen.

Every member of the organization is expected to undertake Sadhana (spiritual discipline) as an integral part of his/her daily life by abiding by the following Nine Point Code of Conduct which has been bestowed by Baba for one's spiritual and personal development. In addition, the ten principles that form the core of guidance for all the members of the organization as ordained by Baba himself are also produced here under.
