## Foreword from the District President

Sri Sathya Sai Baba is a boon to our modern society. He energises man & instills in man the self confidence that man is not an ordinary being but a reflection of Divinity. Baba has been a great personal influence in my personal life. In many moments of importance in life, I have yearned for his guidance and he has always responded in a most loving manner guiding me as a spiritual Master does.

The service rendered by Baba in the field of service to Mankind is indeed unique and quite Divine in it's dimensions. It is to his credit that man today witnesses the three new wonders of our times in the form of Sri Sathya Sai University of Higher Learning, Sri Sathya Sai Drinking water projects and the two Sri Sathya Sai Super Speciality Hospitals. They are the shining examples for the world to emulate and give true meaning to the quote that Service to Mankind is Service to God.

Indeed, with the Divinity called Sri Sathya Sai Baba with us we have nothing to fear. However, we have to fulfil the only wish of Baba that we all commit to transform ourselves and adopt the practice of the 5 Human values of Love, truth, Right conduct, Peace and non violence in our lives and offer him our heartfelt of Love. We are fortunate that we have such an inspiring and Divine presence amidst us to shower on us his Love in abundance. His divine presence is our blessing and our margadarshan for a fulfilling life.

We pray Sri Sathya Sai Baba will continue to show us the path of Compassion, Love, and Spirituality for many more Decades

I offer my most humble salutation to BABA

*R. Kumar*

DISTRICT PRESIDENT (PRAYAGRAJ)

## Sri Sathya Sai Seva Organisations – an introduction

The Sri Sathya Sai Organisation founded by Bhagawan Baba in 1965 is not a religious or a proselytising Organisation. It has not been established to preach any particular religion. The Organisation is for awakening in man the consciousness of the divinity inherent in him & to encourage him to cultivate it, so that he could blossom into a real saadhaka & then into a real sadhu (detached, devoted, virtuous, wise, aspirant) & finally into a liberated personality merged in the supreme. Sri Sathya Sai Organisation is not meant to give some people places of authority or power or for ensuring fame & publicity for Bhagawan Baba. It is to build upon the earth the fatherhood of god & brotherhood of men on strong foundations. The Organisation is set up to develop & foster love. It is not set up through compulsion. It arose from the heart & expands the heart.

In the Sai Organisation, there is no room for distinction of race, religion, caste, class or community. All should regard themselves as children of one God. The Sai Organisation is set up to make people realise their true divine nature. It is to make the people realise that they are sparks of the divine & not embodiments of physical products of nature. It provides a platform for it's members to undertake service & other activities motivated by an urge for one's own transformation with the aim of realising one's inherent Divinity.

*The Sri Sathya Sai Organisation is a spiritual Organisation founded for the whole mankind, not recognising any distinction or separateness on the basis of religion, caste, colour or creed*

*Sri Sathya Sai Baba*

### WINGS OF THE ORGANISATIONS

The Sri Sathya Sai Seva Organisation functions under three wings viz. (i) Spiritual, (ii) Education, and (iii) Service.

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. The three wings stand for Worship, Wisdom and Work.

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Thus, in order to successfully realise the objective of joining the Sai Organisation, one must participate in activities of all the three wings.

*Aum Sai Ram*

“The Organisations named after Me are not to be used for publicising My Name, or creating a new cult around My worship....They must render seva (service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva (selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is sadhana (spiritual exercise), not a pastime of the rich and well placed.

You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate maanavathwa (Humanity) from Maadhavathwa (Divinity)..This Organisation must elevate the human into the Divine.”
