AIP Circular-31 Dated 06-04-2020

Sub: State wise Conference calls

Dear Brother State Presidents, Vice Presidents and National Coordinators
Sai Ram

As you all may recall during Shivaratri this year we had a detailed meeting with all the respective activity heads and the SP's of all states.

Details of the action plan was discussed in Prashanti Nilayam in the presence of the respective heads and the action plan duly conveyed to all SP's and SVP's. I would like to connect with each state separately on a conference call. The attendees at the conference will be the State president, Vice President, the State Service and Spiritual Coordinators both gents and Mahilas, youth coordinators and all individual activities in charges in the state to know the action taken so far and their preparedness with what was discussed and the way forward.

Therefore in the forthcoming concall with each state I expect all above persons of each state to participate and let me know the action taken and your level of preparedness. I hope the respective State presidents have appointed activity in charges to take the programmes forward. I will have the National coordinators also on the concall so that each of them can put forth their view points and also the expectations. The major activities planned and discussed in Prashanti Nilayam is attached herewith for your ready reference.

We will start the conference call from Tuesday evening from 6pm to 8pm. My office will contact each SP to fix the day of your convenience and also forward you a Google sheet which will list the data required from all concerned.

I hope to see you all at the State Conference call.

Loving Regards

Yours in His Service

Nimish Pandya,

All India President
