AIP Circular-48 Dated 11-06-2020

### **Sub: Launch of the Online Veda learning Module for Youth on Gurupoornima**

*Dear Brother & Sisters, Loving Sairam!*

*Bhagawan has always blessed that the young boys and girls must learn the essence of the vedas. He in the initial years of His Mission started the Prashanthi Vidwan Mahasabha and thereafter introduced Veda Chanting across all His institutions. Taking a cue from His Mission, many states in India have taken up Veda Chanting in a very big way. Even in the Sri Sathya Sai Bal Vikas , the learning of Vedas has been initiated in an appropriate manner.*

*In 2016, the Sri Sathya Sai Seva Organisation at the First Vedic Conference held at Prashanthi Nilayam recollected all the instructions of Bhagawan Sri Sathya Sai Baba and took several decisions. A very unique publication in the form of a book called "Vedamrutum" was released. for the benefit of the Sri Sathya Sai Seva Organisations and the world in general.*

*In continuation of the said commitment to pursue Swami's message on the Vedas, the Sri Sathya Sai Seva Organisations has encouraged the commencement of two Veda Pathshalas in Uttarakhand and in Andhra Pradesh. With the Divine blessings of Bhagawan Sri Sathya Sai Baba, based upon the decisions of the All India Vedic Conference we are taking two steps on the eve of the Gurupoornima 2020 in this direction.*

*A ) With the divine blessings of our beloved master, the Sri Sathya Sai Seva Organisations, India announces the '**Sri Sathya Sai Samyukta Sruti Sreni**' a uniquely designed, interactive platform, to impart knowledge in Vedam chanting through the e-learning medium.*

*Vedas are universal in nature without any discrimination of caste, creed or religion. This programme, charted specially for the youth of India, will commence on the auspicious occasion of Guru Poornima.*

Each state will under this banner identify and touch base with all the leading scholars in each state and enlist them. During the course of the next 5 years leading on to the Centenary Celebrations of the Advent of the Avatar, seminars at the state level will be encouraged to get all these scholars to come on stage under the banner of the Sri Sathya Sai Seva Organisation to restore the glory of the Vedas for all in day to day life. The message of Swami on the Vedas will be the background of all these seminars. Let us Remember Swami had declared that one of His missions was to establish the glory of the Vedas. We will discuss implementation at a specific meeting.*

*I have to request my brother State Presidents to ensure that we have identified persons in every state to help in this direction.*
