## **SUCCESS STORY OF A BAL VIKASH STUDENT**

Sri Sathya Sai Bal Vikas has proved to be the ray of hope for the future, that promotes, its every child as an unique, unrepeatable and creative being who learns to recognize his or her own worth and grows to give respect to all and receive everyone's love and respect in return.”

Sri Sathya Sai Bal Vikas has been a loving catalyst in the development of the personalities, making each and every child blossom into beautiful flowers in His lovely garden.

Today we have among such a bud that has blossomed to be a part of the most prestigious Indian Air force.

Our daughter from Odisha, Kumari Sai Praneeta Mohanty was blessed by our beloved Swami to accomplish her dream. Kumari Sai Praneeta Mohanty hails from Kandhamal district, Odisha. She aspired to become a flying officer for the Indian Air Force. Hard work never fails to show the path of success and so happened with her too. Her hard work paved the way to meet her dream.

She is an alumna of Sri Sathya Sai Balvikas. All that she learnt there, have imparted the true knowledge which remains the key to her success.

Kumari Praneeta did her schooling from Saraswathi Sisu Mandir and Govt. Girls High School. She then joined the Sri Sathya Sai Institute of Higher Learning (SSSIHL), Anantapur Campus to pursue her under-graduation, after which she joined Pondicherry Central University to pursue her post-graduation in Physics.

She developed a major interest to join the Indian Air Force. She then joined as a trainee at Dindugal, Tamil Nadu. On 20th June 2020, she was selected as the flying officer for Indian Air Force. She is the first female flying officer from Kandhamal district of Odisha.

Her inspiration comes from her grandfather and her uncle who are from Indian Army. Their relentless support is her courage with which she has achieved the dream of flying. Their family members are the ardent devotees of Swami. She was reared in a spiritual realm which again is another and the strongest inspiration to her. It is indeed an elating moment for her parents, who stand with happiness.

Heart filled with deep devotion and utmost gratitude she expresses her heartfelt Pranams at the lotus feet of her sweet Lord for ever being her companion, guide and eternal friend whose blessings stand like the strongest pillar throughout her journey till date. He was, is and will ever be her best friend, inspiration and greatest strength for lives.
