Another Milestone laid under the auspices of Bhagawan Sri Satya Sai Baba by "Comrades of Selfless Service" by Painting the Entire Structure cum building of Adopted Deaf and Dumb School at Village Raipur Rani at District Panchkula. This project is covered under the ongoing programme "Swachhata se Divyata tak".

Project is being coordinated by the instrument of Bhagawan Sri Tarun Bhardwaj and Sri Mewa Singh (Saketri) who constantly facilitated with labour needs. Approximately 40k is the expenditure incurred for complete Painting of the building.

Institutes of Educare are akin to Sanctum Sanctorum where in students are chiselled into fine cut diamond outlining and conferring them with pristine character especially when such seamless education is given to Specially challenged God's Own Children.

Baba has expounded the concept of Educare which connotes character building and where eternal human values are the foundational stones.

It is proclaimed and Taught by Bhagawan that rendering Selfless, unsullied, Pure Service with chanting Lords name, thrashes your Ego and Pride. It develops the sense of sacrifice. Devotees rendering their selfless services in any form, with divine grace, inculcate virtues and build pristine character.
