**Sub:** Service during Winter called Sri Sathya Sai Winter Sun Seva

Dear Brothers & Sisters, Sai Ram

I have always maintained that all our Seva Dal in the States have been doing amazing seva befitting the glory of our Lord and true to His Message of "Manava Seva is Madhava Seva".

Come every winter and I am aware that we go all out to distribute the blankets to the persons on the streets when they sleep or in humble homes of people who need protection from the deadly winter cold. I am aware that we normally do so between November to December every year.

This year let us all together dedicate this project under the banner of the Sri Sathya Sai Seva Organisations India as "Sri Sathya Sai Winter Sun" to our beloved Bhagawan and carry out this distribution uniformly across India in all the states. Let us plan this from 14th November until 30th November coinciding with the 95th Birthday of Bhagawan Sri Sathya Sai Baba.

I am also aware that some states distribute the blankets during January. They can do so as the need be.

I would also like to draw your attention that State President Punjab Shri Maninder Singh has sourced a vendor of good quality blankets who has offered them at very competitive prices. Please contact Shri Maninder Singh if required. However, please ensure that all transactions are routed through the State Trusts. If they are paid for by the Donor direct and we are receiving it in kind then it is ok to accept in kind directly.

Those of the states who have a larger demand may communicate and coordinate with Brother Maninder to avail of the price advantage.

I was very happy to learn that collectively we distribute almost 40,000 ( forty thousand ) blankets every year, which is an amazing gesture of love on the part of our organisation. This year let us have collective feedback on this seva. Kindly share the same with Shri Koteswar Rao as per his guidance which will follow.

Loving Regards

Yours in His Service

Nimish Pandya, All India President
