***“The Bal Vikas is the primary basis of the great movement to restore dharma (righteousness) in the world. The elders are far g one in their ways, and it is difficult to expect change in their habits and attitudes. Children have to be led into good ways of living, into simplicity, humility and discipline. The parents have to be persuaded lovingly, through the example of bright, cheerful and co-operating children from the Bal Vikas classes, to send their children also to these classes.”***
