**District President**

*Om Sri Sairam*

*Offering my most humble and loving Pranams at the Divine Lotus Feet of our dearest Lord, Master, our ever-guiding and leading principle Bhagawan Sri Sathya Sai Baba...*

*Dear Swami,*

*We are grateful to you for giving us an opportunity to be a part of your divine "Sai Mission" being the members of Sri Sathya Sai Seva Organisation. 2020 is a year of global crisis and unrest. The COVID pandemic has impacted the lives of many people. But with Bhagawan's grace, we Sai Bhaktas could gather courage to step out into the society to help the grief-stricken.*

*During this COVID pandemic, we could offer our services in a very new way and thus reinforcing our spiritual sadhana even during these tough times. Those were the days when we couldn't even step out of our homes, but we the sevadals of Sri Sathya Sai Seva Organisations boldly stood ahead to serve the society taking all necessary precautions.*

*This act of courage as inspired by your teachings and blessings was lauded by the governmental authorities and public. All these activities which are meant for our upliftment as a part of our Spiritual Sadhana could be possible only due to your divine Grace Swami. We seek your blessings, in our future endeavors so that we always tread along the path as guided by you and see that we shall not deviate from it ever. As assured by you, Thy would always stay with us "Inta Venta Janta Kanta" and always inspire us.*

*Jai Sai Ram*

## Sri Sathya Sai Seva Organisations – an introduction

The Sri Sathya Sai Seva Organisations, founded by Bhagawan Sri Sathya Sai Baba in the year 1965, is a service organisation with a spiritual core and base to benefit all mankind irrespective of religion, caste, creed or sect. The Organisation serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realising one's inherent divinity.

Without any distinction of religion, nationality, race, socio-economic status, either for those who work in the Organisation or for those who are served by it, the Organisation transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the Sri Sathya Sai Seva Organisations, for there cannot be any fee or subscription for one's journey towards his own self.

The organisation functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups pursuing different religions and faiths - are members bound by the dictum of "Love all, Serve All" and pursue their own sadhana towards self-transformation following the path of selfless service to humanity.

At no point is an individual asked to follow a certain religion or rituals. On the contrary each is inspired to follow his own faith so as to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslim, a Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue his own religion better by putting into practice Love and Selflessness. That is why the Organisation features in its emblem the symbols of the major religions of the world.

*"The Organisations named after Me are not to be used for publicising My Name, or creating a new cult around My worship... They must render seva (service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva (selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is sadhana (spiritual exercise), not a pastime of the rich and well placed.*

*You must have the firm belief that the aim of this Organisation is to remove the obstacles that keep man away from God, that separate maanavathwa (Humanity) from Maadhavathwa (Divinity).. This Organisation must elevate the human into the Divine."*

Sri Sathya Sai Baba

## WINGS OF THE ORGANISATIONS

The Sri Sathya Sai Seva Organisation functions under three wings viz. (i) Spiritual, (ii) Education, and (iii) Service.

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different wings appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The three wings stand for Worship, Wisdom and Work.

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in form of service to humanity. Thus, in order to successfully realise the objective of joining the Sai Organisation, one must participate in activities of all the three wings.

## ADMINISTRATION OF THE ORGANISATION

Headed by an All India President who is supported by the National Vice Presidents and State Presidents, the Organisation functions like a well-oiled machine in the District under the stewardship of the District President, focused on its purpose, clear in its vision and dedicated in its efforts to live up the Swami's message – "Love All, Serve All".

The Samithis and the Bhajan Mandalis constitute a genuine spiritual movement where the members are united by a common bond – Love for God and Service to fellow human beings.

The members of the organisation work as one cohesive unit, whether as sevadals providing service at Prashanthi Nilayam, at medical camps, doing Narayan seva or the bal-vikas gurus who work with young children to inspire in them a desire to inculcate the five human values of Truth,

Righteousness, Love, Peace and Non-violence, or the teachers who having undergone the training in EHV help in guiding the young minds towards the higher goals of life or the Sai Youth who work tirelessly in the Sri Sathya Sai Village Integrated Programme and Sri Sathya Sai Vidya Jyoti Programme – each of them are bound by one goal – "Service to Man is Service to God".

## THE 9 POINT CODE OF CONDUCT AND 10 PRINCIPLES

Every member of the Organisation is expected to undertake Sadhana (spiritual discipline) as an integral part of his/her daily life by abiding by the following Nine Point Code of Conduct which has been bestowed by Baba for one's spiritual and personal development. In addition, the ten principles that forms the core of guidance for all the members of the Organisation as ordained by Baba himself are also produced hereunder. The nine point code of conduct and the ten principles are fundamental to the spiritual development of the members of the Sai Organisations.

- ❖ Curb envy and jealousy; expand your vision and outlook, Treat all equally regardless of caste or creed.

## HISTORY

The Eastern Chalukyas ruled coastal Andhra from 700 to 1200, with Vengi, near Pedavegi village, as their capital. Historical evidences are found at the villages, Pedavegi and Guntupalli (Jilakarragudem). Eluru then became a part of the Kalinga Empire until 1471. Later it fell into the hands of the Gajapathis. In 1515 Sri Krishna Deva Raya captured it. After the fall of the Vijayanagara Kingdom, it was taken by the Sultan of Golkonda, Kutub Shah.<sup>[6]</sup> On 15 April 1925, West Godavari District was formed with Eluru as its headquarters and all the district offices and regional offices were set up in Eluru city.

In Andhra Pradesh, the West Godavari district is the 19th largest in terms of area ,the district occupies an area of 7,742 km<sup>2</sup> (2,989 sq mi) and has a population density of 509/km<sup>2</sup> (1,320/sq mi), which is the fourth most densely populated district in the state. Its population growth rate over the decade 2001–2011 was 3.45%. It stands at first position in terms of literacy rate in Andhra Pradesh with 26,52,389 (74.63%) literates.20.6% of the district's population lives in Urban areas.

The District is bounded by Khammam district on the north, Bay of Bengal on the south. The Godavari River separates East Godavari district on east and Tammileru River and Kolleru Lake separates it from Krishna district on the west.

## **Emergence of SSSSO in West Godavari**

### **BHAGAWAN'S VISITS**

*Bhagwan's Divine Lotus Feet sanctified the village of Kaikaram in 1952. This visit is lovingly remembered because that was the first visit of dear Lord to the West Godavari district.*

*Bhagawan's first association was with Sri Davuluri Subbarao Garu's Family and Sri Elisetty Satyam Garu's Family, Swami initially visited their house and after the first Conference he told the devotees to start bhajan mandalis in the district. The First Bhajan Mandali started in Eluru in Geetha Bhavan which belonged to Sri Polisetty Govindarajulu garu.*

*Later other Bhajan Mandalis were started simultaneously at various places like Maviduru, Marteru, Chebrole ,Mallipudi, Kaldhari, S.illindraparru, Satyavada and pangidigudem .At that time there were people like E.Satyam Garu, D.Subbarao Garu, Rama Rao garu , Govindarajulu garu, Smt.Satyavathi Garu, Smt.KanthammaGaru, Sri VenkataReddy Garu, Sri IndereswaraRao Garu, Dr.K.Bhaskararao garu, Sri VenkataRao Garu, Smt.Hemalatha Devi Garu who played the key role in introducing SSSO to the devotees of the district.*

*After the initiation of SSSSO in West Godavari, Bhagawan visited West Godavari district 4 times. On 04.04.1965, Bhagawan visited a village Satyavada to Smt Kanthamma garu 's house. There He climbed ladder and stood on a parapet wall and delivered His divine discourse which is fondly remembered by the West Godavari devotees even today.*

*In the 1983, Bhagawan blessed Eluru devotees with His visit. Bhagawans aircraft landed around mid noon. Many devotees waited at the airport to receive beloved Lord. Seeing the love of devotees, Bhagawan walked without foot wear in that scorching Sun. Devotees bowed down to Bhagwan's patience and sacrifice. Bhagawan inaugurated Sri Sathya Sai Rural Development Centre in the village S.Muppavaram. During the inauguration, Bhagawan said, "You all might have differences in opinions. But for the upliftment of your village you should all be one. One can achieve anything with unity. As SSSSO worked in unison, I have come. I am declaring that*

*SSSSO will continue to work in unison to render many more seva activities. My blessings to you all."*

*West Godavari devotees feel blessed to have Sri Sathya Sai Gayatri composer Brahmasri Ghandikoti Subramanya Sastrygaru, author of TAPOVANAM parayana book Brahmasri Jandhyala Venkateswara Sastry garu, Prasanthi Nilayam Mahila Canteen incharge and Andhra Pradesh Mahila Convenor Smt. Vasumathi Devi hailing from West Godavari district.*

*Dr.K.Bhaskar Rao Garu, our Honourable District president, an ardent devotee was instrumental form of spreading of SSSSO throughout West Godavari. Bhagawan Himself praised Sri Bhaskara Rao Garu as Jnana Bhaskarudu. Bhagawan materialized Ring and Akshaya Vibhuthi to him. SSSSO in West Godavari was groomed by the personal monitoring of Bhagawan Himself. As mentioned, some of the fortunate ones were devotees of Bhagawan much before 1960s. Bhagawan's grace, Devotees devotion and their practice of Bhagwan's message together contributed to the growth of SSSSO in West Godavari.*

*Legacy continues...*
