

Om Sri Sairam

Sai in my Home –A Special initiative by SSSSO Odisha

Bhagwan Sri Sathya Sai Baba is the head of the house of each devotee. We the devotees' lives revolve around Him in all circumstances. We look up to Him for everything in our lives. Whenever there are festivities in our homes, He is the first invitee. Whenever we face challenges, difficulties we rush to our Puja altar and seek His guidance and interference. Such is our dearest Swami, the eternal witness and companion of our lives. We all have a very unique and personal bond with our Lord. We all have our own love stories very special to us. In each house of devotees, the Puja altar where we worship Swami everyday in our home is a testimony of many such untold emotional affairs of the Lord and His devotees. Howsoever little our shrine is or even a small place on a little self where we keep a photo of our Bhagwan and pray Him daily, is a place filled with divine vibrations.

Keeping this in mind, the SSSSO Odisha appealed to all the devotees to capture a photo of their home altar on an appointed day i.e **5th August 2021 (Thursday)** and send it through a google link shared with all beforehand. This had an overwhelming response throughout the length and breath of Odisha. Though within a short notice of less than a week, on the 5th of August our devotees were busy from early morning to clean their Puja altar, decorate Lord with flowers, sandal paste, Agarbati Etc. After puja, they captured a photo of their altar and then shared in the link given to them. On a single day, the State received a total of **7214** beautiful photos from as many homes in our state. Our Organisation will archive each such photographs for our record which will be a source of inspiration for the coming generation too.

We offer this small but beautiful offering at His Divine Lotus Feet. May Swami bless each family.

Sairam
